Professional Summary

Results-driven IT engineering student with hands-on experience in web development, MERN stack projects, and cloud deployment. Skilled at building scalable, secure applications and delivering practical solutions through internships and academic projects.

Education

Bachelor of Engineering in Information Technology (2023-2026)

Zeal College of Engineering and Research, Pune | CGPA: 8.81

Diploma in Computer Engineering (2021-2023)

Government Polytechnic College, Jalna | Percentage: 85.54%

SSC (2019-2020)

Trimurti Pawan Pratisthan, Newasa | Percentage: 91.40%

Technical Skills

Web Technologies: HTML5, CSS, Bootstrap, React.js, Node.js, Express.js

Programming Languages: JavaScript, Java, SQL

Databases: MySQL, MongoDB

Tools: Git, GitHub, AWS, Docker

Projects

AgroGuru – Towards a Farm | Express, React, MongoDB, Machine Learning, Node.js

- Built an ML-powered platform providing farmers with crop predictions, real-time weather updates, and nearby resource information.
- Integrated a Tree Campaign Service to encourage environmental sustainability and community engagement.

EFIR – Blending EFIR with GenAI | ReactJS, Node.js, Express, MongoDB, Gemini AI

- Built a secure, scalable complaint management platform integrated with Gemini AI for response generation.
- Implemented OTP-based login, encrypted evidence uploads, and JWT authentication.
- Reduced manual workload by 60% through automated email notifications using NodeMailer.

Internships

Internship at Edunet Foundation, Pune

- Designed and developed scalable web applications using the MERN stack with role-based access control.
- Implemented secure authentication, data handling, and automated notifications.

Training at ProAzure Software Solutions Pvt. Ltd., Pune

- Completed a 6-week industrial training in AWS and Web Development, achieving an overall score of 80%.
- Gained practical experience in building and deploying dynamic web applications using AWS services.

Achievements

- Selected for Amazon ML Summer School (August 2025) among 10,000+ applicants.
- Selected as a participant in Winter Coding Challenge – AXIS'25 (VNIT Nagpur) and Flipkart SCOA – Warehousing.

Extra-Curricular Activities

- Financial Head, Coders Club – Managed budgeting, expense tracking, and financial planning.
- Organized annual college events with a team of 20+ volunteers.
- Volunteered for a blood donation camp, contributing to the collection of 100+ units of blood.
